

January 10, 2020

Dear Supporter,

Our Spring Benefit funds a significant portion of our annual budget. With your assistance, we can support the children who need us the most. **We kindly ask your consideration of a donation towards our Live Auction and Silent Auction for our event on Saturday, April 18, 2020 at the Coeur d'Alene Resort.**

Since 1990, Children's Village has provided a haven and restored hope for children who have been abused, neglected, or are in a severe family crisis. Located here in Coeur d'Alene, Idaho, the children living in our homes come to us through state and private placements. With the generous support of our community, we make a positive impact on these children.

Did you know that each year we average over 5,000 bed nights at the Children's Village? At any given point, we have around 17 children in residence and serve over 12,000 meals per year. This service is crucial to our community and your financial support through events like our Spring Benefit help us to continue our work.

Included is a commitment form for your consideration. Monetary and In-Kind donations are tax deductible as allowed by law. In January of 2021, tax receipts will be sent from the Children's Village to you for your generous donation.

Very kindly and with sincere gratitude,
