

January 1, 2023

Greetings!

While the past couple of years have been tough, we've learned the children in our community are tougher. As a full-time residential home for children, we have watched as their lives continued to be shuffled around. Children living with us have experienced so much hardship in their lives; the stability we provide them with a warm bed, three home-cooked meals each day and a loving staff around at all times is crucial to their ability to adapt and overcome.

Each year, our annual benefit auction is our largest fundraiser. **We kindly ask your consideration of a donation towards our Live Auction and Silent Auction for our event on Thursday, July 13, 2023 outside on our property here at Children's Village.**

In 2023, we are committed to honoring our sponsors in every way possible. With 600 of our best friends here in the meadows of our property in the middle of Coeur d'Alene, the children at the Village can see just how much this community loves them. We know there is one thing very clear: these children continue to need us and the need is growing. Will you join us?
