

March 10, 2021

Greetings and Happy New Year!

While the pandemic is tough, we've learned that the children in our community are tougher. As a full time residential home for children, we have watched as their lives have continued to be bumped around with schools closed and in-person interactions limited. Children living with us have already experienced so much hardship in their lives; the stability we provide them with a warm bed, three home-cooked meals each day and loving staff around at all times is crucial to their ability to adapt and overcome.

Each year, our annual benefit auction is our largest fundraiser. **We kindly ask your consideration of a donation towards our Live Auction and Silent Auction for our event on Thursday, July 15, 2021 outside on our property here at Children's Village.**

In 2021, we are committed to honoring our sponsors in every way possible which may include staying agile and adapting to whatever July of 2021 might bring in terms of the pandemic. Our goal is to have 400 of our best friends here in the meadows on our property in the middle of Coeur d'Alene. Our hope is that we can scream all in unison "we love you" so that the kiddos living inside our homes can feel the love this community has for them. In the event the pandemic changes our course again, we are committed to transparent communication with you as we figure out what changes we may need.

Though there are many unknowns amidst a global pandemic, there is one thing very clear: these children continue to need us and the need is growing. Will you join us?

To easily submit your donation without having to use the form – click here:
